

January 7, 1976

the bill which is to establish due process standards for disciplinary proceedings at the penal complex. I might just mention that the minimum guidelines that were set forth by the United States Supreme Court and which were placed into this bill includes such standards as notice, including a written statement of the charges made against the person, the right to have a hearing on the charge, the conditional right, and I emphasize the fact that it is a conditional right to confront and cross examine adverse witnesses, and then the fact that the individual receives a copy of the decision, statement of the decision. There is also opportunity for the individual to prepare a defense which the United States Supreme Court did require. I might add that the United States Supreme Court did not require an attorney be provided, however, and that is not being provided neither in LB 275.

SPEAKER: Any further discussion. Seeing none, Senator Luedtke, what do you want to do with the bill?

SENATOR LUEDTKE: I already moved that it be advanced, Mr. President.

SPEAKER: The question is, shall LB 275 be advanced to E & R for engrossment? It doesn't show on the machine here, Vince. Is that a button to push? Have you all voted? Malfunction of the machine. Would you clear the machine and then please record again? The question is, shall the bill be advanced from General File? Have you all voted? Have you all voted? The Clerk will record.

CLERK: 25 ayes, 0 nays.

SPEAKER: The bill is advanced.

CLERK: Mr. President, the next bill is LB 275A. We have an "A" bill on that.

SPEAKER: Senator Luedtke.

SENATOR LUEDTKE: We are not sure just what kind of an "A" bill we will need with this but it was the opinion of the Judiciary Committee that there wouldn't be a necessity for an "A" bill. This, I think, was brought to the fiscal analyst attention by Mr. Vitek and the Department of Correctional Services for other reasons. I think now that we are in session again and the budget of the Correctional Services is up for review, I think this can be handled without an "A" bill. We have found no fiscal impact as far as our concern with the bill was. All of the records were already being kept. We can't see any need for it. So I would move...

SPEAKER: Senator Luedtke, would you move to bracket that LB 275 A until a determination has been made?

SENATOR LUEDTKE: I so move to bracket. Then we can determine. Unanimous consent, yes.

SPEAKER: We ask unanimous consent to bracket LB 275A until
